Ron Miller is starting his job as an exterminator for Bugs Be-Gone. Today he is going to a house on State Street to get rid of some cockroaches there. He has a problem when he starts to use the equipment and he is not sure how to operate it. He tries to read the directions but they are in English and too difficult.

He is not sure what to do but finally he calls for help at work and a fellow employee is able to come out and show him how to use the equipment. After they finish this job together, they go for lunch.

1. Who does he call for help?
2. Where do they go after they finish the job?
3. What problem does Ron have at his job?
4. What was the problem of him?
