Today we have the pleasure of showing you the best letter written by our customer Mark. He wins £25 for writing about us this week. He is so happy with the orders at Swift Pizza and Sandwich House that he wants to declare a holiday to celebrate his experience here: "Happy burgerday and Merry Sandwichmas to everyone!" he wrote.

Wednesday May 18, 2011.

One typical day I was too tired after working all day long to cook for myself, and I was very hungry. I really wanted something to eat, so I decided to find a burger.

I ordered a half-pound burger and a lamb and chicken sandwich. I also made some special orders for extra cheese and vegetables.

Food arrived very fast (less than twenty minutes) and was hot and fresh. The burger was delicious, and left me wanting more - fortunately I had the sandwich left. It felt as if it had been cut just a minute before I opened it - juicy, fresh, and great.

Every single special request I made was completely satisfied, 100%! And the best thing was that all of the above and some drinks cost me ONLY 10 dollars! If that doesn't say value for money, I don't know what does.

It certainly feels great to find new excellent food delivery companies for whenever you don't feel like cooking yourself. I recently had a sad experience with my usual take away restaurant, so I decided to change to something else - and on my first try I got what I wanted!

Order now from Swift Pizza and Sandwich House.

Mark
